

St Joseph's Catholic Primary School

Admission Arrangements for the academic year 2021/2022

Supplementary Information Form

The ethos of these schools is Catholic. The schools were founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed on the school's criteria document. The schools are conducted by the Board of Directors as part of the Catholic Church in accordance with its Articles of Association, and seek at all times to be a witness to Our Lord Jesus Christ. We aim to provide a Catholic education for all our pupils, and Catholic doctrine and practice permeate every aspect of school activity. It is essential that the Catholic character of school education be fully supported by all families in any of the schools. All parents are therefore expected to give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of a parent who is not of the faith to apply for a place for their child at the school.
