Dear Creator of Heaven and Earth,

Help us to care for those in need

And share our love for everyone.

Let God help us to work as a team

In difficult times to do the right thing.

Let us put our effort into everything

Including our faith in God.

Let us be responsible for our actions

and be faithful to Jesus forever.

Help us in our wrong doings

and make us follow the right path

until you come again

to save us from sin and temptation.

Let us be role model

to show others the

right path and help others onto it.

Help us to show everyone in the way of the lord

and to show that everyone is equal.

Let us show respect to everyone

That we meet and have faith in them.

Amen.

John (Y6)

God,

I've heard we have to use RESPECT,

But how do I do it?

I really need help,

Please watch over me everyday

And help me to use RESPECT:

Role model - set a good example to the younger ones.

Effort- always put 100% effort into all of your work.

Self awareness - always help me be aware of my actions and be responsible for them.

Politeness - help me to be polite to teachers, family and friends.

Everyone - includes everyone in a team and gives everyone an equal part in the group work

Consideration - they take care of all school, others and your equipment.

Team work - when you've finished your work, help people if they're stuck and need help.

Loving Father, help me to treat others like you would like to be treated and forgive and love others. Encourage me to use the gifts and fruits of the Holy Spirit and go to church more often. Also please help me to help people when they're hurt...

Amen.

Luca (Y6)

Academy Prayer

God our Father, we pray for everyone in our Academy community;

Support our students in challenges that they have to face and overcome. Give them understanding and consideration to be able to comfort others.

Let parents have the strength to be able to lead their children on the right path.

Strengthen the staff to inspire all the students of our community to fulfil their vocation, to be encouraging role models; demonstrating patience, self control and love.

Guide the Principals, Academy Committees and Board of Directors to use wisdom, right judgement and courage in making the decisions needed to ensure the academy is a successful, exciting faith community.

This is an amazing journey. Thank you for the opportunities you have granted, the friends you have given and the families you have gifted.

Do not be afraid. God is near; every step of the way.

We ask this prayer through Christ our Lord. Amen.
